

All the fasteners you need... and a whole lot more from Melfast.

## Commitment

Now is the time to get acquainted with **Melfast, Inc** a distributor of fasteners and hardware that is committed to competitive pricing and outstanding service. We offer a broad range of items in many materials for **all industries, all applications, in any quantity.**

At Melfast we are particularly proud of our service to those difficult, or **one-of-a-kind items**; our machine shop facilities will manufacture special orders from your detailed blueprint specifications.

Shipments are made within **24 hours** of receiving your order by common carriers or by Melfast's own trucks for local deliveries and emergencies.

Although this brochure is packed with information, you may need to know more. If you have immediate needs, call us at:

 **(201) 477 - 2757**
